Dear Fish Transportation Permit Applicant:

Enclosed is your Fisheries Application for Permit to Transport Live Fish, Live Bait or other Aquatic Organisms.

If you intend to transport live fish into, within, or through Kentucky or if you intend to have your commercial fishing helper transport roe-bearing fish or roe in your absence, please complete and submit the enclosed Application for Fish Transportation Permit to the department along with the \$25 permit fee.

If you are selling but not propagating fish, frogs, crayfish or aquatic organisms in Kentucky, you need to obtain a Live Bait Dealers License from the Kentucky Department of Fish and Wildlife Resources at a cost of \$50 for residents and \$150 for non-residents.

The Kentucky Department of Fish and Wildlife furnishes a list upon request of Commercial Propagation Permit Holders/Transportation Permit Holders and the species listed on the permit. This list is mainly requested by the public when seeking a fish supplier. If you would like to be on this list, please indicate below. Your name will be placed on the list alphabetical as indicated on your application. Be sure to include a phone number.

_____ Yes, I **do** wish to have my name on the Fish Suppliers List
